

Mathematics in the Sun

SECOND ANNUAL RETREAT

September 26-27, 2003

St. Petersburg College, Tarpon Springs, Florida

The Florida Two Year College Mathematics Association invites **you** to participate in its second retreat. This year's topic is:

A Celebration of Teaching

Please join mathematics faculty this fall to share ideas and strategies that facilitate the teaching and learning of mathematics at any level.

Some of the sessions might include:

- Strategies or activities appropriate for the adult learner
- Strategies or activities that promote communication among students
- Technology-based activities that enhance the teaching of mathematics
- Laboratory activities for students
- Activities that enhance courses for future teachers
- Panel discussions

We will also be discussing the progress of the new college mathematics pre-requisite that is being created to replace the existing MAT 1033.

Do you have a teaching strategy that you would like to share with others?

Do you have a concern or idea which you would like to discuss with other instructors in a panel session?

If so, please submit a proposal (see *Speaker Proposal Form*).

REGISTRATION: Registration is free. Please fax or mail the registration form so that we have a reasonably accurate count of the number of attendees. (See *Registration Form*)

COST: The nominal cost for snacks on Friday, wine and cheese Friday evening, the continental breakfast on Saturday morning, and lunch on Saturday is \$15.00 (cash) payable upon arrival.

See hotels information and directions in the next page.

DIRECTIONS:

St. Petersburg College is located just south of Tarpon Springs, Florida, about 25 miles northwest of Tampa off US 19. Take US19 to Klosterman Road (just south of Tarpon Springs), and turn west onto Klosterman Road. The college will be on your left. Turn into the college and follow the signs to the museum.
