From Jacksonville University

Dr. Marilyn Repsher has retired after many years of service to Jacksonville University, the Mathematics Department, and the Florida Section of the MAA. the JU Center for Teaching and Learning has been renamed The Marilyn Repsher Center of Teaching and Learning in her honor .

Dr. Paul Crittenden has had two co-authored papers published :1) “ A Novel Method for Determining R-card Sheet Impedance Using the Transmission Coefficient Measured in Free-Space or Waveguide Systems” was published in IEEE Instrumentation and Measurements Magazine.. 2) “Analytical development of the Far Zone radiation Integral for an Arbitrary Planar Spiral Antenna” was published in the IEEE Antennas and Propagation Magazine.

Ms. Chieu Duong taught a mathematics course in England as part of our summer Learning Abroad program.

---

Dr. Han Duong, a former JU Mathematics major, joined our Department.

Our newest member is Dr. Erika Ward, who comes to us after earning her Ph.D. from the University of Kansas..

Dr. Pam Crawford graded AP calculus; Dr. Robert Hollister and Ben Wehrung graded AP Statistics.

Dr. Peter M. Ryan won the 2009-2010 Professor of the Year award.

Drs Ben Wehrund and Pam Crawford co-authored a paper “ Violation of the ISNT Rule in Nonglaucomatous Padiatric Optic Disc Cupping” along with Dr. Alexander Pograbiak, Katherine Pograbiak ( a JU student) and Dr. Rajash Shetty, The paper was accepted for publication in “Investigative Ophthalmology & Visual Science”.
