MAA Florida Section Spring 2024 Meeting

Event Overview
The annual joint meetings of the MAA Florida Section and FTSCM will be held on February 23-24, 2024 on the campus of Florida Gulf Coast University in Fort Myers, hybrid is a possibility. Mia Imideh talked about 50 minutes or 45 minutes in plenary and 40 minute break sessions (10 minutes) from mathematics and math educators from colleges and universities. Graduate and undergraduate students are also invited to participate. Full details available at http://www.fla.org/sections/florida/americanmeeting/schedule.html

Primary Venue
Florida Gulf Coast University
10500 FGCU Boulevard, Fort Myers, FL 33960

The fact that late February is the peak of tourist season, means that rooms are tight and they don’t want to block them out. Below is a list of hotels and a list of hotels (a dozen) we provide to students and parents for orientation. (2017) Holiday Inn Express is a Crowne Plaza, but the contact information is the same.

These are all within 15-30 minutes of campus. There are probably enough rooms altogether, but I have not been able to reserve blocks or get guaranteed accounts anywhere. Same for probably given some sort of "FGCU rate" but that seems to be the best we can do given all the circumstances.
