

**Illinois Section of the Mathematical Association of America  
Institutional Sponsorship  
Half-price Offer for Sponsors from September 2019 to May 2021**

Institutional sponsors of the Illinois Section of the MAA receive benefits dependent upon which category of sponsorship is chosen. The three levels are: Ordinary, Sustaining, and Speaker. Because these benefits are tied to in-person conference attendance, sponsoring institutions in spring 2020 and spring 2021 were not able to get the full benefits of such sponsorship. The ISMAA is pleased to offer those institutions the option of half-price sponsorship for the 2021-2022 academic year. The costs and benefits of each level of sponsorship are as follows:

**Ordinary Sponsorship (~~\$50~~ \$25):** Unlimited free student registration at the annual meeting

**Sustaining Sponsorship (~~\$100~~ \$50):** Unlimited free student registration at the annual meeting plus three free faculty registrations

**Speaker Sponsorship (~~\$200~~ \$100):** Unlimited student registrations, three free faculty registrations, plus listing as an underwriter of a plenary speaker in the ISMAA program.

Please fill out the form below indicating the level of membership, and send completed form and payment (payable to ISMAA) to:

Dr. Patricia L. Kihne  
ISMAA Secretary/Treasurer  
Department of Computer Science, Mathematics, and Physics  
Illinois College  
Jacksonville, IL 62650

While we gladly accept institutional sponsorships at any point during the academic year, we appreciate sponsorships sent in prior to the spring sectional meeting.
