

Illinois Section of the Mathematical Association of America

Institutional Sponsorship

(October 2017 update)

Institutional sponsors of the Illinois Section of the MAA receive benefits dependent upon which category of sponsorship is chosen. For this year only those benefits apply to the Trisection Meeting with the Indiana and Michigan Sections. Student registration will be free at this meeting, but there will be a fee to register teams for the math contest.

The three levels of sponsorship are: Ordinary, Sustaining, and Speaker. The costs and benefits of each level of sponsorship are as follows:

Ordinary Sponsorship (\$50): Reimbursement by the Illinois Section of the registration fee for one math contest team at the Trisection meeting

Sustaining Sponsorship (\$100): Reimbursement for one math contest team at the Trisection meeting plus three free faculty registrations

Speaker Sponsorship (\$200): Reimbursement for one math contest team at the Trisection meeting, three free faculty registrations, plus listing as an underwriter of a plenary speaker in the Trisection program

Please fill out the form below indicating the level of membership, and send completed form and payment (payable to ISMAA) to:

Dr. Patricia L. Kiihne
ISMAA Secretary/Treasurer
Mathematics Department
Illinois College
Jacksonville, IL 62650

While we gladly accept institutional sponsorships at any point during the academic year, we appreciate sponsorships sent in prior to the spring sectional meeting.

Institution: _____

Address: _____

Contact person: _____

Level of sponsorship:

_____ Ordinary Sponsorship \$50

_____ Sustaining Sponsorship \$100

_____ Speaker Sponsorship \$200
