
Call for
Contributed Papers
for
ISMAA 2004

The 2004 meeting of the Illinois section of the
Mathematical Association of America

April 2-3, 2004
Roosevelt University-Schaumburg Campus
Schaumburg, Illinois

The Program Committee for the 2004 Meeting of the ISMAA is soliciting contributions for 20 minute (or longer) presentations in the following areas:

- Research in mathematics
- Research in mathematics education
- Developments in undergraduate mathematics courses and curricula
- Expository mathematics

For mention in the initial program, contributors should send a paper title, a short (2-3 sentence) abstract, and name and contact information for the author(s) by February 10 to the Program Chair listed below. For further details on the ISMAA program, see <http://ismaa.knox.edu/>.

Andrew Leahy (Program Chair)
Knox College
2 East South Street
Galesburg, IL 61401
aleahy@knox.edu
(309) 341-7439

(Not giving a talk? Let us know by February 10 if you are interested in being a presider at one of our sessions.)
