Call for  
*Student Contributed Papers*  
for  
**ISMAA 2004**

The 2004 meeting of the Illinois section of the  
Mathematical Association of America

April 2-3, 2004  
Roosevelt University-Schaumburg Campus  
Schaumburg, Illinois

---

Multiple sessions of student contributed papers are planned for Saturday, April 3, at the ISMAA Annual Meeting. Any undergraduate mathematics student or group of students may propose a 15-minute presentation on a topic dealing with mathematics or the teaching and learning of mathematics. The paper may represent a class project, a senior thesis, or a research project.

Individuals interested in contributing a paper should forward a short (at most one paragraph) summary of the paper with the name(s) and address(es) of the author(s) by March 19, 2004 to:

John Haverhals  
Department of Mathematics  
Bradley University, Peoria, IL 61625  
jsh@bradley.edu  
(309) 677-2499
