
Call for
Contributed Papers
for
ISMAA 2005

The 2005 meeting of the Illinois Section of the
Mathematical Association of America

April 8-9, 2005
Knox College
Galesburg, Illinois

The Programming Committee for the 2005 Meeting of the ISMAA is soliciting contributions for 20 minute or longer presentations in the following areas:

- Research in mathematics
- Research in mathematics education
- Developments in undergraduate mathematics courses and curricula
- Expository mathematics

For mention in the initial program, contributors should send a title, a short (2-3 sentence) abstract, and name and contact information for the author(s) by February 18 to the programming committee member listed below. Email is preferred. For further details on the ISMAA program, see <http://ismaa.knox.edu/>.

Andrew Leahy
Knox College
2 East South Street
Galesburg, IL 61401
