Do you plan to remain at your current institution for the 2021-2022 academic year? _____

We seek a diverse group of participants from a wide range of institutions. Your interest in the teaching and learning of undergraduate mathematics and your goals for professional development are important considerations.

In a brief statement (two-page maximum), please tell us about yourself. We are especially interested in:

1. A brief statement describing your teaching philosophy and your teaching experience.
2. A brief statement describing your goals for professional and scholarly development.
3. How you expect to benefit from participating in the Section NExT Program.

Please include your updated curriculum vita, which should include a list of all teaching positions that you have held since receiving your highest mathematical degree.

Applicants must have the support of the department in which they will be working in 2021-2022. This may include financial support for the applicant to travel to the ISMAA Annual Meeting, but financial support is not strictly required. Please ask your chair or dean to write a brief statement of support for your participation in the program. (Note: this is not required for graduate students.)

Support letter from _____
(check one) _____ is enclosed; _____ will follow.

Applications must be received by **Friday, February 19, 2021**. Send application materials by *email only* to:
