Do you plan to remain at your current institution for the  
2025-26 academic year? \_\_\_\_\_

We seek a diverse group of participants from a wide range of institutions. Your interest in the teaching and learning of undergraduate mathematics and your goals for professional development are important considerations. Please briefly answer the following questions (4-6 sentences each) so we can get to know you. Feel free to type into this form or on another document.

- 1. How do you approach teaching and how would you summarize your teaching philosophy?**
  
- 2. What are your goals for professional and scholarly development?**
  
- 3. How do you expect to benefit from participating in the Section NExT Program?**

Please include your updated curriculum vitae, which should include a list of all teaching positions that you have held since receiving your highest mathematical degree.

Applicants must have the support of the department in which they will be working in 2025-2026. Please provide the name and email address of your chair or dean. The Section NExT coordinator will reach out to them.
