

MAA

MATHEMATICAL ASSOCIATION OF AMERICA

The mission of the Mathematical Association of America is to advance the understanding of mathematics and its impact on our world.

We envision a society that values the power and beauty of mathematics and fully realizes its potential to promote human flourishing.

MAA American Mathematics Competitions (AMC)

The MAA AMC are a series of competitions that build problem-solving skills and mathematical knowledge in middle and high school students.

Connect with local math students by hosting the MAA AMC at your college or university.

Visit maa.org/amc to find out how your campus can host a competition for future math majors.

Meeting the Future: MAA & Joint Mathematics Meetings (JMM)

Beginning in 2022, MAA national meeting activities will occur at MAA MathFest in the summer. The MAA will build on the continued growth of MAA MathFest and will also direct resources to better support MAA Sections at meetings like this and other programs that expand access and services to more members.

Some new member opportunities and services will include:

- Digital community tools such as MAA Connect
- More support for Section NExT
- Expanded MAA MathFest program
- New Section speaker programs

Tondeur BIG Career Activities at MAA Section Meetings

With the support from Philippe and Claire-Lise Tondeur, the MAA is offering financial support for a round of BIG Career Activities at MAA Section meetings. Kick-start or enhance ongoing inclusions of BIG Career events at Section meetings, such as:

- Inviting a BIG speaker
- Offering a mock interview game
- Organizing a career panel
