

Form 990-A (Supplemental Schedules and Information)
Iowa Section of Mathematical Association of America
for year June 1, 1964 to May 31, 1965

Pages 1, 3, 5 Item 9 (other income)

From National Society, allocation of National Dues	\$ 60.00	
From Iowa Academy of Science, reimbursement of expenditures	<u>15.15</u>	\$ 75.15

Schedule A (allocation of expenses)

Postage, \$40.00; typing, \$11.00; mimeographing, \$7.55; envelopes and miscellaneous, \$3.70. Total: \$62.25.

Pages 2, 4, 6

Item 2 (detailed statement of the nature of your business)

The section, whose membership includes mathematics teachers and others interested in the field of mathematics, holds an annual meeting as part of the annual meeting of the Iowa Academy of Science. Papers and discussions of relevant topics to the field are presented at this meeting. The expenses of the Section are incurred in arranging the program for this meeting, and in publicizing the program to its membership. This year, because of incorrect information received from the Iowa Academy of Science concerning meeting arrangements, it was necessary to send revised information to the membership, and the Academy reimbursed the Section for the cost of doing so.

The section engages in scholarly and educational activities to encourage the study of mathematics at all educational levels. It arranges for its members to act as consultants to committees of state and local educators concerned with mathematics education.

Item 3 (required information)

Instruction I information. The Section's officers for the current year were: Robert E. Hogg, chairman; Donald E. Sanderson, vice-chairman; and Earle L. Canfield, secretary-treasurer. All officers are in category (e). Normally a new chairman and vice-chairman are selected each year. No officer is compensated. Each devotes some time to Section affairs intermittently throughout the year; the time so devoted would not aggregate more than the equivalent of one to two weeks in any year.

Instruction J Information. Our assets consist solely of cash in a checking account. Balance, at year end, \$255.92.
