MATHEMATICS DEPARTMENT

January 3, 1968

Dear Colleague:

This is to remind you of the meeting of the Iowa Section of the Mathematical Association of America to be held at Wartburg College Waverly, Iowa, April 19, 1968, in conjunction with the Iowa Academy of Science meeting. Those of you who wish to present a paper should notify Chairman Charles M. Lindsay, Department of Mathematics, Coe College, Cedar Rapids, Iowa. Early word to him concerning your possible participation will be helpful to him in preparation of the program. Speakers are usually limited to about ten minutes and expository papers are appropriate.

Professor Lindsay is considering the possibility of having a special session on the latest SMSG recommendations concerning "Qualifications for a College Faculty in Mathematics". If you have any reactions, please drop him a note.

Members of the Association are invited to join the Iowa Council of Teachers of Mathematics, dues of \$2.00 per year may be paid to Frank Flickinger, Waverly, Iowa.

Student membership in the Mathematical Association of America is encouraged, and if you know of students or colleagues who are interested in joining, I will be happy to furnish you with the application forms.

Your early attention to the matters concerning the April meeting is appreciated.

Sincerely yours,

B. E. Gillam
Secretary-Treasurer, Iowa Section
Mathematics Association of America
