Mathematics Department  
Drake University  
Des Moines, IA 50311

Dear Professor Gillam:

Since your section is meeting in the near future, I am sending you a complete list of your members as of March 1, 1968. Also enclosed are the usual forms for reporting your newly elected officers and the time and place of your next meeting.

Under separate cover we are sending you membership materials ~~and abstract blanks~~ to be used in connection with your meeting. Also enclosed is a current copy of the Mathematical Sciences Employment Register. This Register is to be made available to the persons attending your meeting.

Professor Harley Flanders, the Editor-Elect of the MONTHLY, is interested in finding good expository and survey articles for the MONTHLY. Would you please include him in your mailing list so that he will receive a copy of your program and will you please notify him after your meeting if any of the papers read seemed to be worthy of MONTHLY publication.

It will be the policy of the MONTHLY to publish programs of Section meetings, but not abstracts nor summaries of the talks. You should advise your speakers who wish to publish abstracts to do so by title in the American Mathematical Society Notices or in the AMS Bulletin section on Research Announcements.

Sincerely yours,

  
RAOUL HAILPERN  
Associate Secretary
