Professor B.E. Gillan
Department of Mathematics
Drake University
Des Moines, Iowa

Dear Professor Gillan:

The expenditure of fifty dollars for an out-of-state speaker has been approved by the Iowa Academy of Science. I have asked Dr. Hansen, the executive secretary, to send the fifty dollars to Professor Loud. We should have a check for fifty dollars to give to Professor Loud at the meeting.

The CUPM representative at our meeting will be Professor Robert McDowell of Washington University in St. Louis. With the confirmation of Professor McDowell's visit, our program is complete. I'm looking forward to seeing you in April.

Cordially yours,

Charles M. Lindsay
