Mathematics Department

Cedar Rapids, Iowa

Dear Professor Lindsay:

I understood at our brief meeting after the Section meeting in April that you would be willing to serve as the representative of the Iowa Section at the meeting of the section officers in Toronto, August 28. If you are still willing to serve, will so so advise Mr. Raoul Hailpern, the Associate Director?

I am enclosing a copy of the section report for your use. If there is other information which you deem is necessary for your meeting with the other representatives, feel free to ask.

I am enclosing also a copy of the By-Laws, list of the of officers and General duties of the Chairman.

I hope you find the meeting in Toronto both informative and enjoyable.

Yours truly,

B. E. Gillam
