Dear Professor Lindsay:

On January 3 I wrote to you notifying you that the members of the Iowa Section of the Mathematical Association of America are to elect a Sectional Governor for a three year term beginning July 1, 1968 to succeed Professor D W Wall of the State University of Iowa.

Up to the time of writing I have not heard from you as to whether you have appointed a nominating committee nor have I received any report from such a nominating committee. I should like to have a report from your nominating committee as promptly as possible so that we may proceed with the election of a new Sectional Governor from your section.

Sincerely yours,

RAOUL HAILPERN
Associate Secretary
