Dear Professor Canfield:

Since your section is meeting in the near future, I am sending you a complete list of your members as of February 24, 1967. Also enclosed are the usual forms for reporting your newly elected officers and the time and place of your next meeting.

Under separate cover we are sending you membership materials and abstract blanks to be used in connection with your meeting. Also enclosed is a current copy of the Mathematical Sciences Employment Register. This Register is to be made available to the persons attending your meeting.

Professor R. A. Rosenbaum, the Editor of the MONTHLY, is interested in finding good expository papers for the MONTHLY. Therefore, he would like to be included in your mailing list so that he will receive a copy of your program.

Sincerely yours,

RAOUL HAILPERN
Associate Secretary
