Dear Dr. Gillam:

As you are no doubt aware, the Association is trying to increase the circulation of the MATHEMATICS MAGAZINE. To this effect, I would like to send you a batch of some 25 past issues of the MAGAZINE to be available for free distribution to those attending the meeting of your section on

Would you please let me know, as soon as possible, the exact name and address of someone at , to whom you would suggest the MAGAZINES be sent; I assume you will complete the necessary arrangements with that party so that the MAGAZINES will be on hand at the time of your meeting.

With my thanks in advance, I am,

Sincerely yours,

A. B. Willcox
Executive Director
