Dear Professor Hailpern:

In your dittoed letter of May 12, you requested the name and address of the Official Representative of the Iowa Section of the Association. Our secretary-treasurer, Prof. Earle L. Canfield, and I discussed this matter at our section meeting and it was decided that I would be the representative. You have my Wartburg College address but perhaps my home address should be used this summer. It is;

William L. Waltmann, Ph.D.

1904 3rd. Ave. N.W.

I shall assume that the travel reimbursement procedure as well as further information concerning the meeting will be sent to me at the appropriate time.

Sincerely,

William L. Waltmann
