

April 9, 1969

Professor Charles M. Lindsay
Mathematics Department
Coe College
Cedar Rapids, Iowa 52402

Dear Charles:

I assume that you will be at the meeting of the Mathematical Association of America on April the 18th at Cedar Falls. If this is the case I would like for you to serve as chairman of the nominating committee.

The section officers of the Association are defined by the constitution to be Chairman, Vice-Chairman, and a Secretary-Treasurer, and the Chairman may not succeed himself. Ordinarily the Vice-Chairman moves up to Chairman each year, however, this year the Vice-Chairman, Professor Armentrout, I understand, is not going to be in the state come next year. Thus we will need a whole new slate of officers for the coming year.

If you cannot serve as chairman of the nominating committee, please inform me as soon as possible. I hope to see you at the meeting in Cedar Falls.

Yours truly,

B. E. Gillam, Secretary-Treasurer
of the Iowa Section of the
Mathematical Association of America
