Professor B. E. Gillam  
Secretary- Treasurer of Iowa  
Mathematical Association of America  
Department of Mathematics  
Drake University  
Des Moines, Iowa 50311

Dear Professor Gillam:

I have been doing some inquiring about a program on April 24 but nothing has crystallized yet. At the Oregon meeting we were told it is possible to get a national officer to speak. I am writing to Henry Alder to see if he will come. Also, Donald Sanderson has promised to speak as a representative of the board of governors and George Peglar wants some time to speak about the articulation committee. Since we are meeting at Grinnell I thought it would be appropriate to have a panel from Grinnell speak.

If you have any suggestions for a topic or speakers please send me such information. Please note that you had the wrong date on your letter.

Cordially,

Elsie Muller
