Dear Professor Gillam:

Enclosed is a Xerox copy of a letter which I have received from Professor Henry Alder. I am delighted that he will be able to come to the Iowa Section meeting on April 24. Which of his topics do you prefer for the program? As soon as I hear your preference I shall write to Professor Alder. It seems to me that his second topic is excellent for the Iowa Section.

I was unaware of the fact that the date was wrong in the MONTHLY until I received his letter. Do you want to write to the Editorial Director of the MONTHLY in order that he will make the change in the succeeding issues or do you want me to do it? Thank you.

Cordially,

Elsie Muller
