Dear Professor Hanson,

As Secretary-Treasurer of the Iowa Section of the Mathematics Association of America, I send a program of our joint session to all the members of the Association. I have a copy of the program furnished me by Professor Muller. However, this does not include the location of the meeting.

When you know the building and room for the Mathematics Section, I would appreciate such information for my letter to the members.

Yours truly,

B.E. Gillam, Head
Mathematics Department
