

February 23, 1970

Professor Elsie Muller
Department of Mathematics
Morningside College
Sioux City, Iowa 51106

Dear Professor Muller:

I intended to meet with you in San Antonio, and although I saw you across the room several times, I just didn't manage to catch you.

I assume that the program for the meeting of the Iowa Section of the Mathematics Association of America is complete, or nearly so, and that you have, or will soon, send a copy to Robert Hanson, Editor of the Iowa Academy of Science Bulletin. I would like a copy of the program so that I can send a copy to each of the members of the section.

I assume Professor Alder is still to be our principal speaker.

Yours truly,

B.E. Gillam

Secretary-Treasurer, Iowa Section
Mathematics Association of America
