Dear Dr. Willcox;

With respect to the distribution of the MATHEMATICS MAGAZINE at the April meeting of The Mathematical Association of America at Grinnell College, you may send them to

Dr. Arnold Adelberg
Department of Mathematics
Grinnell College
Grinnell, Iowa 50112

I will write appraising him of their arrival and distribution.

To date I have not received the materials pertinent to the meeting, especially the address labels which should be used about the middle of March.

As to the address labels, I would find it helpful if these were available in December (approximately four months in advance of the April meeting) so that I might use them for our first general circulation of the membership.

Yours truly,

B.E. Gillam
Secretary-Treasurer,
Iowa Section
Mathematical Association of America
