April 19, 1971

Dear Section Chairman:

At the request of the ad hoc Committee to Consider Accreditation and Certification in Mathematics, I am writing to remind you of my request dated July 29, 1970 that each Section report by June 1, 1971 the opinions of its members on the questions regarding accreditation and certification as discussed in the September 1970 issue of the MONTHLY and as suggested in the sample questionnaire prepared by the Committee. Reports have already been received from a number of Sections, but, since yours is not among these, this reminder is sent to you to make sure that reports from all Sections will be in by June 1.

The Committee hopes that each Section will be able to summarize and interpret the views of its members as expressed in discussion and in responses to the questionnaire. Section reports will be evaluated by the Committee in June and reported to the Board of Governors in August.

Thank you for your cooperation.

Sincerely yours,

Henry L. Alder
Secretary
