To Section Officers:

Dear Colleagues:

The IRS has acted favorably on our request for a group exemption which would extend to all Sections. As you can see from the attached letter, our Sections are now officially declared exempt from the Federal Income Tax under Section 501 (c) (3) of the Internal Revenue Code.

The attached letter from IRS is your official notice of your exempt status, and you may expect to be asked for copies of it as evidence from time-to-time. For this reasons, I suggest that you preserve it carefully in your files. We will have the original copy in our files, of course, and can supply you with copies at any time.

The IRS has not yet sent us "Employer Identification Numbers" for our Sections. When we receive this information we will send it on to you.

Sincerely,

A handwritten signature in cursive script, appearing to read "A. B. Willcox".
