Dear Colleague:

I shall be assuming editorial responsibility for the Monthly effective with the January 1974 issue. Consequently, I would appreciate it very much if you would be kind enough to be sure you mail me a copy of the program for all of your Section meetings as soon as you have it available. The speakers at these meetings are often excellent sources for Monthly articles and I should like to be able to solicit articles from some of them.

In addition, I shall be very grateful to anybody who alerts me to a particularly good lecture or speech that he has heard at a Section meeting.

Sincerely yours,

Alex Rosenberg
