Professor W. G. Chinn  
539 29th Avenue  
San Francisco, California 94121

Dear Professor Chinn:

I have recently received from Secretary Alder a copy of the January 18, 1974 resolution of the Committee on Two-Year Colleges. I am totally ignorant of the existence and activities of any organization of two-year college teachers in the state of Iowa. If such an organization does exist in Iowa would you please send me the name of the organization and information as to appropriate persons in the organization for liaison?

Thank you very much.

Sincerely,

Donald F. Bailey, Chairman  
Iowa Section MAA
