Dear Joe: — and Basil

Just a short note to invite you to the MAA Officers' luncheon at the meeting in Fayette. William Drake of Upper Iowa is making the arrangements for us. It is not clear whether we will have a "waited" meal or just go thru the serving line. In any event we will have our own dining room. Check with me at the meeting for location, etc. See you on the 19th.

Sincerely,

Don
