DEPARTMENT OF STATISTICS

Date April

To Bailey

From Hogg

Don -

I'm not absolutely positive that I will be able to make the MAA meeting on the 19th. In case I do not, I have put down a few items that have been considered in recent MAA Governors' Meetings. Would you read them for me if I am not there? I believe that you could comment on a few of them (like Mayer's remarks at Missoula), also you might have brief discussion of questions in 7 and 8, others if interest is shown.

Thanks
Bob

Good to see you last Saturday
