The February 4 deadline for submission of abstracts of papers for the April 19 meeting of the Iowa Section of the Mathematical Association of America is now close at hand. I am writing to ask each of you to inform your staff of an urgent need for papers for the Spring meeting. Interested staff members should immediately request abstract forms from:

Dr. R. W. Hanson, Exec. Secy.
Iowa Academy of Science
University of Northern Iowa

Also, I encourage you and your staff to support the Iowa Section of the MAA through your attendance at the Spring meeting.

Thank you.
