

CALL FOR PAPERS

December 1974

Dear Colleague:

Larry Hart, our Chairman-Elect, is preparing a great program for the Spring meeting of the Iowa Section of the Mathematical Association of America to be held on April 18, and April 19, 1975 on the campus of Iowa State University at Ames.

If you wish to be on the program, please send an abstract to Lawrence Hart, Loras College, Dubuque before Feb. 1, 1975.

SOMETHING NEW HAS BEEN ADDED

"Poster Sessions" will augment the regular program. These exhibits or displays will be displayed in the foyer of Carver Hall, Saturday April 19. This is an excellent opportunity for you to share with your colleagues any devices which enhances your teaching or creates an interest in mathematics.

Exhibits should not be larger than three by six feet and should not require electricity. If you have something to exhibit, please write to Don Norton, Department of Botany and Plant Pathology, Iowa State University for more information.

Make plans early to attend this great meeting.

B. E. Gillan
Sec.-Treas.,
Iowa Section,
Mathematics Association of America
