Basil;

Enclosed is a copy of a letter to Pon P from Hanson concerning the Dec 1 deadline for sending out first request for papers.

I visited with you by phone in mid-Nov. & found that you did not use the central office for mailing. But aren't we to use the forms until the central office makes available?

Since you are sending out the initial letters soliciting papers and posters, I'll have you contact Hanson concerning them - or you can call me & I'll notify him. My phone is ~~SP~~ 319-498-7726.

Haven't heard from Notion office concerning my request for a guest officer & haven't had acknowledgement from Fischer concerning the two paper colloquia.

I agree with Hanson - most people will be gone from Dec 15 - Jan 15 & the MAA meets end of Jan - to Feb 3 for final program is damn close.
as ever, Larry
