Dr. Basil Gillom, Secretary
Iowa Section of MAA
% Department of Mathematics
Drake University
Des Moines, Iowa

Dear Basil:

Enclosed is a copy of the program which I am submitting to Bob Hanson for our April 19th meeting.

I have tried to put together a program which would be of interest to a large segment of the college math professors of the state. I hope I have not been mistaken in my judgement.

See you in Ames on April 19.

Sincerely,

Lawrence A. Hart
