Prof. Basil Gillam
Mathematics Department
Drake University
Des Moines, Iowa

Dear Basil:

Arnold Adelberg of Grinnell College has consented to serve as auditor of the Iowa Section's books at the spring meeting in Ames. He wants to know when and where he can get at the books, so please send me that information as soon as it is available, and I will forward it to Arnold the next time I correspond with him.

I hope you are having a good year.

Sincerely,

Don
