Thursday

Dear Basil;

Enclosed is another note from Bob Hogg. I haven't seen the final Lectures Program brochure that you sent out so I don't know if Tim's name was on it. Please send me a copy of the list you sent out. If Tim's name was not on it, I write to him & explain how it happened.

I got the idea that Hogg was dit-
~~ressed~~. But accidents do happen -

As ever
Larry
