

IOWA SECTION OF THE MATHEMATICAL ASSOCIATION OF AMERICA

PROGRAM OF VISITING LECTURES 1975-1976

The Iowa Section of the Mathematical Association of America initiated a Local Visiting Lecturer Program in the academic year 1972-73. At the April, 1975 meeting of the section at Iowa State University, those in attendance voted to continue the program for a third year.

The cost of the program is to be borne by:

- (1) Postage, paper, mailing, etc. from funds of the Section.
- (2) Expenses of the lecturers by the host institution. Expenses are defined to be: Mileage at the rate of 10¢ per mile, and out-of-pocket expenses for meals and/or lodging while away from home.

Each institution which wishes to have a visiting lecturer from the following list should contact the lecturer directly and make all arrangements by mutual agreement.

Each lecturer has indicated the level of his lecture according to the following definition:

Level I - - Designed for Junior-Senior Majors and Staff.

Level II - - Designed to further the interest of the Freshman-Sophomore student in Mathematics.

Also the lecturer has indicated the day or days of the week preferred (DOW) and the maximum one-way mileage, if any, for the visit.
