Department of Mathematics
Iowa State University
Ames, IA 50011

Dear Al,

I talked to A.M. recently and he indicated that it is time to put out a first call for papers to be presented at the Iowa Section Meeting of the MAA. The meeting will be held at UNI April 24th and 25th. If you would use the usual procedures for making the call, I would appreciate it.

Students will be presenting their papers Friday afternoon. Faculty presentations will be held during Saturday morning and afternoon. Faculty should be reminded to encourage students to start preparing their papers early. Faculty should also be encouraged to prepare papers on the teaching of mathematics. Innovative ideas associated with Discrete Mathematics and Calculus would be especially useful. Please set a notification date of March 13th. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Greg Dotseth".

Greg Dotseth
