Dear Mr. Heckenbach:

This is in response to your request for a copy of a determination letter for the organization named below:

Mathematical Association of America, Inc. - Iowa Section - We have researched our records and find that the paragraph marked below applies to your organization.

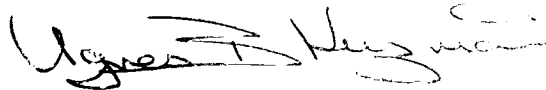

Enclosed is the copy of the document you requested.

There is no record that the organization is a tax exempt organization under 501(a) of the Internal Revenue Code by virtue of an approved application, therefore, we have no document(s) responsive to your request.

Your organization is or may be covered by a group exemption. As a subordinate unit, you should contact your central organization's headquarters office for confirmation that you are covered by the group exemption. Gen No. 2236
Mathematical Assn. of American Inc. 501(c)(3)
Washington, D.C.

If you have any questions, please contact the person whose name is listed above.

Sincerely,

Agnes B. Kuzniar
Acting Chief, Disclosure & Security
