All MAA Section Secretaries

Dear Section Secretary:

I am the Washington office administrative aid for the Placement Test Program and am writing to you to find the names of the Section PTP representatives. Could you please send me the name of your Section's PTP rep. I would also like to know how long these people will be PTP reps. If you are not the Section officer who knows this information, could you please forward this request to the appropriate officer.

Thank you for your help.

Sincerely,

John W. Gilliland
PTP Coordinator
