Dear Tom:

Enclosed is a check for \$64.87 as the ASA share of the registrations for the 1987 and 1988 joint meetings. The figures were calculated as follows:

1987: Paid registrants: 40 MAA + 5 ASA + 5 neither = $50 * \$5 = \250
Expenses: \$47.29

ASA share = $(5/45) * \$202.71 = \22.52

1988: Paid registrants: 43 MAA + 8 ASA + 3 neither = $54 * \$5 = \270
Expenses: (covered locally)

ASA share = $(8/51) * \$270.00 = \42.35

Total: \$ 64.87

Sincerely,

David O. Oakland, Sec/Treas.
