Dear Tom:

Enclosed is a check for \$44.60 as the ASA share of the registrations for the 1989 joint meetings. The figure was calculated as follows:

1989: Paid registrants: 55 MAA + 7 ASA + 17 neither = 79 * \$5 = \$395
Expenses: (covered locally)

$$\text{ASA share} = (7/62) * \$395.00 = \$44.60$$

Sincerely,

Dave Oakland, Sec/Treas.
