Dear Jane:

Three unfinished items from the Iowa Spring meetings:

- (1) enclosed are the SECTION NOMINEE FORM - 1990 forms for four student presenters. Three have selected the *College Mathematics Journal*. The fourth, already a member, would prefer to receive the book CAM 21 - *From Error-Correcting Codes through Sphere Packings to Simple Groups*.
- (2) the ad hoc coordinator for our student chapter activities is Catherine Gorini of Maharishi International University in Fairfield, Iowa. No term of office was specified.
- (3) specific dates for the 1991 meetings are not yet set. I hope to have that information to you soon.

Sincerely,

David O. Oakland
