Kevin Dennis
c/o Department of Mathematics
Luther College
Decorah, IA 52101

Dear Mr. Dennis:

Congratulations on your excellent presentation at the recent Iowa Mathematics Meetings on April 5 at Drake University in Des Moines. Your presentation

FRACTAL GEOMETRY

was recognized at the April 6 business meeting as one of two second-place presentations from among the undergraduate papers presented.

For this recognition you will receive a one-year student membership in the Mathematical Association of America with your choice of any one of the three MAA journals. If you are already a student member you may elect to extend your membership by one year or may select a book from the current catalog of MAA Publications.

Please complete the enclosed form and return it to me as soon as possible. I need your name (as it should be listed on MAA records), mailing address, birthdate, and your choice of journal. If you are currently a member please also indicate clearly whether you wish the membership extended (and give the journal option) or which book you would like to receive. (If none of your faculty members has a current publications catalog let me know and I will get one sent to you.)

Again I wish to congratulate you for your excellent work.

Sincerely,

David O. Oakland, Secretary-Treasurer
Iowa Section
Mathematical Association of America

Dear Ms. Taylor:

Congratulations on your excellent presentation at the recent Iowa Mathematics Meetings on April 5 at Drake University in Des Moines. Your presentation

POWER IN THE BRITISH PARLIAMENT

was recognized at the April 6 business meeting as the best presentation from among the undergraduate papers presented.

For this recognition you will receive a one-year extension of your student membership in the Mathematical Association of America with your choice of any one of the three MAA journals or you may select any book from the current catalog of MAA Publications.

I do need to have you complete the enclosed form providing the Association with some biographical information and clearly indicating which option you wish to chose (membership with a specific journal OR a specific book selection). If you need any assistance in choosing an option (or choosing a book) please visit with Professor Kleiner or me. I do have a copy of the current publications if you wish to borrow that.

Congratulations on your excellent work and best wishes to you as you head west.

Sincerely,

David O. Oakland, Secretary-Treasurer
Iowa Section
Mathematical Association of America
