

# MAA INVITES STUDENT TALKS

EARN A ONE YEAR MEMBERSHIP TO THE MAA!!!

ADD A QUALITY ITEM TO YOUR UNDERGRADUATE RESUME!!!

On April 21, 1995 the Iowa Section of the Mathematical Association of America will provide students the opportunity to present fifteen minute talks on a variety of mathematics- related topics during the Iowa Section Spring Meeting at the University of Northern Iowa.

A proposed topic should fall into one of these three categories:

- I. ***Expository*** (e.g., historical talks in mathematics, an interesting problem from a course, an interesting article from a mathematics journal, etc.)
- II. ***Mathematical Activity*** (e.g., problem or modelling contests, Student Chapter or math club activities, internships or summer employment, etc.)
- III. ***Undergraduate Research*** (e.g., problems solved or attempted, honors projects, etc.)

Abstracts of the proposed talk should be sent to: Gregory Dotseth  
Department of Mathematics  
University of Northern Iowa  
Cedar Falls, IA 50614-0506  
E-mail: dotseth@math.uni.edu

Deadline for abstracts is March 3rd, 1995.  
Notification of speaking status will be made by mail shortly thereafter.

In addition to a one year membership to the MAA, student speakers will receive a Certificate of Recognition from the Mathematical Association of America.

Inquiries should be directed to: Steve Nimmo  
Morningside College  
P. O. Box 6400  
Sioux City, IA 51106

Messages can be left at 712-274-5466 (sdn001@chief.morningside.edu).
