Subject: Re: MAA meeting expenses and luncheon

Hi Steve,

The expenses were \$197.88 for refreshments, laptop rental and so on and \$245.56 for the luncheon for a total of \$443.44. These figures are reflect payments already received from IMATYC for their part of the luncheon and Therese Morgan for the Wiley book display. Please let me know if you need it broken down more or have any questions.

The check can be made payable to The University of Iowa and be sent to me or Magaret Driscoll (our accounts person) at the Math Dept.

Dave
