

## Iowa Mathematics Meetings -- 2000

**April 14 and 15**

**Simpson College**

The Iowa section of the MAA, the Iowa section of the ASA and the IMATYC will hold their joint meetings at Simpson College on April 14 and 15, 2000.

The MAA lecturer will be Underwood (Woody) Dudley of DePauw University. He will present lectures Friday evening and Saturday morning. Professor Dudley is Editor of the *College Mathematics Journal* and has authored several books published by the MAA; *Numerology*, *The Trisectors*, and *Mathematical Cranks*. His talks should be lively, interesting and thought provoking.

As is tradition, the student paper sessions will be held on Friday afternoon and faculty paper sessions will be Saturday afternoon. Plan to attend the Friday evening social gathering, the business session on Saturday morning and the MAA luncheon on Saturday.

### **CALL FOR STUDENT AND FACULTY PAPERS**

Students and faculty are invited and encouraged to submit abstracts of papers for presentation at the meeting. Student presentations will be 15 minutes in length while faculty presentations will be 25 minutes. Prizes will be awarded for the best student papers.

All rooms will have overhead projectors. Computer projection units will be available as well as computer labs (Mac and PC). Requests for computer equipment or facilities should be made when abstracts are submitted.

**Student and faculty abstracts should be received by March 3<sup>rd</sup>.**

Please send abstracts to Bruce Sloan

Department of Mathematics, Simpson College, Indianola, IA 50125

Fax: 515-961-1498

email: [sloan@simpson.edu](mailto:sloan@simpson.edu).

If possible, include an email address with the abstract.
