Subject: Meeting of officers

Dave has requested that we have our meeting of officers Saturday morning prior to our first talk. A breakfast meeting has been scheduled for 7:00 a.m. at the Country Kitchen which is located near both the Apple Tree Inn and the Super 8.

In fact, it is the building just north of the Apple Tree and is about 2 blocks south of the Super 8.

The agenda will be any items related to the section.

Please let me (Bruce Sloan) know if you are planning on attending this meeting. I will reserve a "quiet" location so we can eat and transact our business.
